I am so sorry for your loss. Laura was one of a kind and a great person to know as a friend. I met her when I was doing the Toys For Tots program in Sheldon. She told me that was a great program for kids and she made a donation. She also was a good friend and neighbor. I will really miss her and i enjoyed our talks when i was at the house and you hadnt retired it . She is with god and not in any pain. she will be your guardian angel from ever on out rest in peace and prayers. becky and kassandra lightner.

Laura I will miss you and our talks. You were my family lawyer, you looked up so much info for me despite your vision problem. Your sense of humor made my day and your love for your family was endless. Love you Lor, rest in peace.
