“ Marlene,

Elaine Wilken just let us know that Ron passed away this week. It is 3:00 on Friday and we just can't get there to the visitation/funeral, but sure would have if we would have known earlier. We are so sorry to learn of the news and you and your family are sure in our thoughts and prayers at this time. As Paul Froehling mentioned in his condolences, we too were reminded of discussions with you folks about Ron's connection with MSOE and GM and Irv's brother, Les attending MSOE and Irv and Ron's work at GM in Michigan. We have wondered how you folks were doing since we missed seeing you at the reunion this past August and hearing from the Redenius branch of the Wilken family tree. With his gentle disposition and positive smile Ron has left quite a legacy and one we all strive to be like. Irv had 2 heart attacks on September 21, followed by open heart surgery at Carle in Champaign to repair 3 nearly total clogged arteries. After a week at Carle, 2 weeks at Prairieview in cardiac rehab, he has been home for 2 weeks. He is doing well, but still on some restrictions.

With our sympathy to your family, who we are proud to be able to call "family"
Irv and Pat Wilken

“ Although I never really got to know Ron, I always remember that he showed my parents and me around Milwaukee when we came to visit Milwaukee School of Engineering after my graduation from Onarga High School in the summer of 1958. I graduated from MSOE in 1962 and have lived in the area since then. Thanks for the start, Ron. My condolences to the family. May God comfort you with the assurance of eternal life for all believers in Jesus as their Savior.
