Carolyn Tackett-Goodrich - February 25, 2018 at 12:22 PM

Adam my son I love and miss you so much. Just found out today this was up for you. No one told me or your wife about this being up to post. Son you have been gone now almost 2 years and I still cannot bring myself to let you go even though my heart knows your gone because a piece of my heart died with you. You will forever remain in my heart and on my mind. I MISS AND LOVE YOU MY SON ADAM SR. R.I.P <3

“ *My Husband, Best Friend, Love of My Life, & My Everything- The Day We Got Married January 6th 2012 is one of the Very Best Memories I'll have Besides Giving Birth to Our Children. The memories the kids and I have with you, we will Cherish FOREVER. The ones I'll remember most are our Goofy Fun Playful times with Our Babies. Jordan will forever remember her Daddy Daughter Dance just a few weeks before the accident. Adam Jr on the other hand I Will Make Sure he remembers his Daddy as he was just 5. Our friends and family will Always remember the Goofball that would see someone in a bad mood and he would do Whatever he could to lighten their mood. You always had to make someone laugh. Baby I'll never understand why God didn't take me too. It's been a Very Hard Road to travel without you. I Always told you that I Needed You. Well guess what baby, I didn't lie. I need you Now more then I Ever thought I would. I woke up 6 days after our accident and All I Cared About and Wanted Was You. Then came the Most Horrific News I Ever could have gotten, The Love of My Life didn't make it. Lord knows Adam I lost my mind when my mom told me. Then came the other hard part, I had to tell Jordan (7) and Adam Jr (5) that Daddy didn't make it and he was in Heaven Now. It's going on 2yrs without you and damn it Adam I do still Need You. You Are FOREVER In My Heart and You Will Forever be within our children. Until I see You Again My Love, Wait for Me at Heavens Gates. I LOVE YOU BABY FOREVER.*

Love Your Wife
