“ I'll miss random encounters with you at the gym. Talking sports was always a delight or even wrestling or video games. The first day I can remember moving to the area was the same day I met you at the basketball courts where everyone played. I remember learning and thinking how cool basketball was and I know you were front and center. to that special time I also remember going to the football games with you and seeing you at them. I don't think anyone represented BBCHS athletics as well as you did.

Thanks for being a friend, thanks for the conversations, your memory will carry on. God bless buddy.

“ Andy was such a special person. He grew up with all of the kids in Indian Oaks. He was a beloved friend to all who knew him. The Andy McIntyre Basketball Tournament was legendary and will forever be etched in the memory of the Indian Oaks Community. Up and down the streets he would walk, dragging either his oxygen tank or his precious dog princess. He was certainly our park mascot and will forever hold a special place in our hearts. Rest in heaven Andy 🙏🙏 We will miss you 😞😞
