“ *I met Andy when I was a little kid when my family would get together for outings either at his house or another's. I also remember climbing into his truck and accidentally pulling the cord for the horn..Lol. I don't think I moved so fast..Of course there was cheerleading with the Bourbonnais Bears, and his love of football. Lastly, there was a great man who could light up a room with his smile, heart, and laughter. Those who knew him will have many good memories to reflect upon. RIP dear friend.*

“ *So sorry for your loss, Jane. Both my wife Jill and I worked with Andy at ABF, Jill on the dock and as office manager, myself as a fellow linehaul driver. “ *Oh Andy, we all share some great memories as young parents on Kim Dr. you were a kind intelligent great guy. I'll remember an airborne snow mobile ride, I'll remember you wearing a Father's Day t shirt from your boys that was about three sizes too small, with a big smile on your face. I'll remember that great laugh. Rest In Peace dear friend.*

“ So many great memories. Such a great guy and a great brother-in-law. I remember when I got my learners permit. Andy had me drive on 57. I didn't want to but of course he made me. I am sure he was petrified but he stayed calm and I got over my fear. He will be missed.

“ *My sincerest condolences for your loss. It was truly a sad day when i heard the news. I have very fond memories of Mr. Westerhoff teaching me as a lineman for the Bourbonnais Bears.
