To my cousins family during such a sad moment! God's word says blessed are those who mourn for they shall be comforted! Father, Son and Holy Spirit I Thank You for family for during times as this it takes God and family to comfort family Father so we thank You having sacrificed Thy only begotten Son our Lord and Savior Jesus thus making us family with Thee! We need only Believe! For if we believe Jesus died and Rose again one the third day then we know we shall see our loved one again! Let us strengthen one another during this unwanted time though we do not know why or how God does the thing's that he does we know His way is the right from the spiritual realm! God we trust You and pray that you cover this family with the blood of Jesus in the days ahead In Jesus name Amen

“ He was a great MMA Coach and taught me a lot about striking. He pushed be hard and motivated be to become a better fighter. There was one day he had me do 215 squats for coming late to his class due to finishing a run on the treadmill at Genesis Martial Arts and Fitness. It was one for the toughest classes in my life. But I kept up with the normal training plus the 215 squats. I had never felt more proud in my life. And it was thanks to the challenge and the push that coach "Tony" gave me that day. I'll never forget that feeling of pride or that lesson. I just wish I could have shared this with you in person.
