“ *Bob, Michael, and Emily, My thoughts and prayers are with you. I always enjoyed my little chats with Arlene on the phone. Wish we could have spent more time together. Arlene was always thinking of others and doing for others and was so proud of her son and granddaughter. I know she is in a great place now. God Bless always, Love Cousin Cris Cattano*

“ *Bless you Arlene as you walk among the angels. I know your mom and my mom and dad (Aunt Alice and Uncle Lamont) will be opening their arms and welcoming you. Rest in peace my dear cousin. Wish we could have spent more time together but someday we will all be in heaven and sharing many memories.*

“ *Arlene and I had a rocky start, but she was one of the hardest working and nicest person I ever met. She always went out of her way to things for others and I considered her my friend. She will be missed!!!* ”
