“ *Barb was one of the kindest people I have ever known. So many memories! But the first time we met, it was at a church where she and Ron came to a revival service in Gilman. I had called her and asked her to get Ron to come. They came. It was our first time to meet. At the end of the service as I was playing piano and singing, here she came straight to me, wearing navy slacks and a beautiful white blouse, and wrapped her arms around me and said, "I love you!" That was many years ago. I have never forgotten.*
