“ *Sue, we're so sorry to hear of Ben's passing. You have our deepest sympathy. He's gone way to soon. I have so many fond memories of a wonderful funny cousin! The times spent when our families would gather at either his parents home or our Grandparents Homan home are some of my fondest memories. RIP my sweet cousin! Till we meet again.*

“ Sue, how can I pick A memory when we've had so many. The card games, the holidays, the get togethers...there are so many. I think one of my favorites tho is on Halloween when you were still at your "old" house, the joy and delight Ben had when answering the door for trick or treaters and he would do a trick for them. The sparkle in his eye and the laugh was priceless. My heart breaks for you in your loss. Many hugs and prayers as you travel on this journey without him and know he is in good company with family members and friends that have gone before him. It's got to be a heck of a card game with Ben, Gordy and Joe and who knows who else they could get to join in.
