“ *Miss you so much! I promise to look after mom till you can be reunited. I'm so glad there is no more pain and suffering for you. You fought a very long battle, and I'm very proud of you for not giving up. Fighting for every step in your rehab and hearing how many to took each day. I hope I have the strength you've shown me. I'm gonna miss the trips we want on, but so glad we did lots together. I valued the time we shared together and cherish them all. Hugs dad!*

“ Bernard was my brother-in-law. Him and my sister, Parnell, have a daughter, Yvonne, seven months older than I. He pretty much let Parnell raise us like twins. If it wasn't for Bernie there would have been many adventures I would never have taken in my younger years. My had off to Bernie for all the car care and repair he did for me. Getting me a lawn mower, snow blower and such when I had not way to repay him. Thank you for showing me how to be kind..you never left a motorist stranded on the side of the road.

Bernie was my brother in law. I remember my 1959 Chevy would not start in subzero temperatures with a wind at the Kankakee Community College parking lot. Bernie came out and gave me a jump and got me going. Very miserable, but he came out and helped me anyway. Bernie also recommended that I buy that 59 Chevy...my first car. A very good purchase. I got several years and several trips to and from Montana with that vehicle, purchased for \$250. Bernie was always there to help if he could. Thank you and RIP.
