“ *I am a long time friend of Nancy's and I remember how show would light up when she talked about her brother. Such pure joy, remember the smiles he brought to this world. My God give you confront. Pamela Fanning, Columbus*

“ *There are so many things that come to my mind when I think of Byron! His passion for music, for Terri, for his business, for friends & family.... I can go on and on. Of the many fond memories, the closest to my heart was the night at Byron and Terri's that I proposed to Page! Byron was one of my "partners in crime" to help pull off the surprise. He was as excited as I was! Thus, his passion for life! Rest in Peace my friend!*

“ *Byron was a great man! He always made me and my family feel welcomed. The love that Terri and Bryon had, is that old love that you don't really see anymore. I have seen the love that they had for each other. The day that Byron passed was a very sad day and the world lost a great man, but heaven received a great angel.*

“ *I transferred to Whetsone HS as a Junior. It was awkward to come into Homeroom that first day not knowing anyone. Byron sat in front of me. He turned around, took a look at me and was the first to welcome me. We hung out a lot that Junior / Senior year. He was sincere, thoughtful, smart, fun-loving and hilarious. I have not seen him since 1987 and learned of his passing by pure chance. Please accept my sincere condolences. I will keep you all in my thoughts and prayers, hoping that you find strength and comfort and can be there for each other...*

“ So sorry for your loss. Byron played on my soccer team at Whetstone Hgh School and ha was loved by many. He was a very sincere and honest even in high school and one of the hardest working guys I ever coached. I haven't seen him since ,but he will be missed by many. “ *Sending peace and love to the family and may it shine down from heaven upon you!!*

My favorite memories of Byron are from get togethers, such as Thanksgiving, Trev & Autumn's graduation parties (Brian, dad, and Mr. Smith must have talked corvettes for an hour with him at Trevor's), Fall festival (he even racked the balls up on his suave pool table for the little ones to give a shot), stopping by the Hamm 's for lunch Christmas 2 years ago, and being on the pool deck with his home brew in hand (Brian always thought was delicious)!! Fond memories that will live on and never fade. Thank you Byron for the great times!! May you feel pain free now and be at peace. Love , Nicole, Brian, and Ayla Smith

“ *My Prayers go out to the family. Byron was a great friend, always fun to be around. So sad to hear this new's. He was also my Pest control tech for many years at Tyson 4T's. He knew the business very well and a very hard worker. He was a guy you could trust, and always had story's to tell. A very fun loving guy that loved cars and his car he had. I know he will be greatly missed by all.*

I didn't know Byron, but I knew Terri. It was so obvious to me that Byron was her life and how very much she loved him. I kept him on my prayer list from the time that I knew he was ill. My heart goes out to Terri and the Family and I will continue to keep them in my prayers.

Byron and I worked together in the counseling office at Bourbonnais Terrace. I have never known a kinder or more compassionate person. He could make you laugh with ease! He was passionate about politics, music, fitness, martial arts and cars. He was a rock when one of our co-workers and friends passed away suddenly. He was loyal and smart and ambitious. I believe he loved Terri from the moment he met her and she him. In his 48 years my time with him was a drop in the bucket but I am thankful for every minute. I will never forget you Byron. My thoughts and prayers are with Terri and the family. Be at peace.
