“ Oh Carol we had so much fun growing up together. As Kids I remember when Our Parents took us to the Sandbar at River where we first learnt how to swim. We were scared as Hell but we made it ok. I remember we were so tired and a bit cold as the evening grew cooler on the way home, we were snuggled together with a blanket in the Back seat and fell asleep. I dont remember even going home until I woke up the next day. One of my fondest Memories growing up with you was when our families would gather for card nights and we and the other kids would be in your Bedroom listening to records. As we grew older, I was so pleased to have worked together with You and Carl at the VFW doing all the programs and parties for the kids. You were so devoted to your family and kids no matter if you had time or not Family came first. You are forever in my memories, and we WILL meet again. My sincere condolences to the Family
