“ *I will miss your beautiful smile and caring heart. You were such a giving woman and loved all the residents so much. I will miss seeing you at work and laughing when I heard your jokes and stories. I am so blessed to have got to know you and your family. You were an amazing mom/grandma and your family was truly blessed by you.*

*Let me call you "Sweetheart," I'm in love with you.
Let me hear you whisper that you love me too.
Keep the love-light glowing in your eyes so true.
Let me call you "Sweetheart," I'm in love with you.*

Whenever I hear this song or sing this song to the residents, I will always remember how you use to sing it to them and the joy that it gave you. RIP my dear friend...until we meet again!!!
