“ Carol and Ed were such a loving couple. I know that she was looking forward to them being together in her last days. She and I spent long talks on the phone, until I was able to go back to Bradley on vacation., and speak with her in person. I will miss both of them terribly!

“ We are so sorry of Carol's passing. Many wonderful memories of Carol and Ed when we lived next door to them and had the shop on Superior in Bradley. Her and Ed are now together in peace and no pain. May God guide all of you through the days ahead. We will keep all of you in our thoughts and prayers. 💜🙏
