“ I was Carols home health nurse for quite awhile a few years back after one of her surgeries. She was a wonderful woman. We bonded over our love for dogs and our time spent volunteering for those pups. Every time I saw her she talked about her beautiful grandchildren and how she couldn't wait to be able to move closer to them. She always had a new picture to show me. We would love on Lilly and Stewart. She was a strong woman but moreover, a strong Christian. I am so glad your out of pain. Carol, I will see you in Heaven my friend.

“ I loved the time that I had with Carol, she was such a beautiful person and she cared for so many people, when I talked to her she talked about how much she loved her dog and that she missed him very much and how she wanted to get better cause she wanted to make breakfast in that beautiful new kitchen at the Church, she was special to me and I Cared! And I told her that I cared, such a loss I will miss her, God Bless her Family.
Rest In Peace Carol🕊️ I cared🌹
