“ We tried to get to see Carol, but unfortunately missed her. We had so many fun memories together. Words can't express my/our thoughts except she is missed and always will be. She had a piece of my heart too from the time we met and worked together at Poppin Fresh Pies. She loved her daughters, brother, and sister as well as the rest of her family. I was lucky to have her in my/our life and the rest of her family through her loving eyes. She talked about all of you to me. Our condolences to all of her family. Diane and Rick Sloan
