“ I used to take care of her and her husband she was always so sassy and spunky those 3 years allowed me to realize I wanted to go into a profession to help others. I really cannot thank them enough for opening a door of possibilities. RIP and my condolences to her family

“ Im sorry that Cheryl and i werent raised together when our mom and dad got divorced. She always had a smile and i really cant figure out why because of the way we were raised and treated over the years. We didnt see each other as much as we should have but thats what happens when "life" happens. RIP Cheryl until we meet again! Love you always!
