“ My sympathies to the family. I was actually checking the St Paul page for other info when I saw the obituary of this young lady. While reading it over I realized that once upon a time we lived across the street from each other and I could still see in my mind the kids all having fun at the pool and the girls playing Barbies. It was over 35 years ago but the memories are vivid. Time is fleeting. So sad. I had to pull out my album and found these birthday party pics to share. Peace and love.

“ *We knew Christie through the family Of James and Sheila Zdzinicki. We had the privilege of getting to know Christi, Jeremy and Jack at holiday celebrations. What we saw in Christi was a dedicated Wife, Mother and Nurse. Being a retired RN myself I could see the fire and passion in her that exemplified nursing excellence in her care and compassion for her patients.*

I always heard wonderful stories about Christi's talents in many areas from the Zdzinicki's and Morrison families through the years one of them being her joy in making awesome Disney shirts for her family and friends!

We will be praying for God to carry Jeremy, Jack, Christi's Mom and Family and all of her loved ones during this very difficult time.

May beautiful remembrances of Christi bind everyone together with love for her and each other at this time.

“ Christie was a great coworker. We worked together at Ingalls Urgent Aid. We keep in touch via Facebook. I remember her excitement planning for her wedding. She always posted Jack school photos. She will be greatly missed by all whom knew her.
