“ I never met Curtiss in person but felt I knew him through the pictures you posted on FB. He looked as though he truly loved life and you! He seemed to always have a smile on his face and that put a smile on yours! I know you will miss him terribly but love that you share all your wonderful memories even during this time of loss. May he rest in peace or maybe he will find a motorcycle to ride up there in heaven! God bless. Sending love
