“ *Today I remember Dale, someone who brought light into every room she entered. A soul full of life, humor, and a spirit that lifted others without even trying. She had the kindest heart-always ready to offer a smile, hug, a laugh, or a moment of comfort. It is hard to put into words the kind of energy Dale carried-it was effortless, genuine, and unforgettable. I am grateful to have known her. Sending hugs & ❤️ Anita Becker*
