“ *My friend you will be missed!  
Thanks for always reaching out saying...  
Hey 22.. How are you doing today..  
22 was my basketball number  
We played hard together in high school passing the ball back and forth for hours then watch MJ and the bulls!  
You always talked so highly of Gavin and your granddaughter!  
Your laughter is legendary and I still can hear it in my ears  
Rest easy now my friend ❤️*

“ Dearest friend, I cannot even begin to tell you how much I will miss you. We were not friends very long but the year that I knew you we were close. You meant a lot to me. We had a lot of fun together. I remember when you came in to work, Bonnie and I bet you wouldn't make it a week. You not only proved us wrong but we became great friends. We were the three old ladies. And then there were two. I will always remember you. Rest in peace my friend. I will miss you so much. You remind me of Willie Nelson's song "Angel flying too close to the ground." Prayers for your family and friends. I love you Dana. 🙏🙏
