“ Sorry for your loss, I worked with Dan at Shapiro. I did a lot of overtime even in the Central Laundry Dept. never knew how much work was involved until you worked there. He and his staff made it look so easy God Bless!

“ I would like to pay my respect to the man that myself aka Little Cecil and my older Brother Mason aka Del and older sister Dayna, we all 3 call father at different times in our lives. All though we all went separate ways in life he was still the man that gave us life, And i would not be the man i am today if I didn't go down the path that he sent me down when i was little. I thank you for that Father aka Dad. RIP your baby boy Little Cecil

I love you Cecil but I could NOT disagree more. Our father, Dan Thorne, was a monster to his children - Cecil especially. Rest in misery Dan.

One more thing Cecil - you are a great man today in spite of whom your father was, not because. I won't be a part of white washing the sexual, physical and emotional abuse Dan and Vicky were responsible for.
