“ *Donna was an amazing woman who had the biggest heart I've have ever seen.when I first met her I never imagined she would become such an amazing friend. You are and will continue to be missed. Ik that towards the end you were in a lot of discomfort and at times miserable so I'm glad that you are able to now rest in peace. Gone but never forgotten*

“ 2 years ago I was a very fortunate individual to cross paths and meet Donna for the first time...She allowed me to come in her home and I was very out of sorts and lost in my life...After knowing me just a very short time she learned of my misfortunes and offered me a space in her home...It was at that time my life as I knew it changed rapidly and for the better...She also employed me to be her PA and take care of her and her needs..I never in my life ever dreamed she would have such an impact on me and my life after knowing her for such a short time...She quickly became like a mom to me, nurturing and showing me how to be a stronger woman, and to take pride in my health and my life and to keep my head up and never let anyone tear me down...She was tough at times but we always found our way outta our darkness one way or another...I will NEVER forget her and miss her so much already. .Donna was a great woman, but she is gone now but will live in my heart forever and ever...my condolences go out to her mother and her children, May you all find some peace at this time....thanks for allowing me to be a part of Donna's life these last 2 years, It's been extremely memorable and humbling experience....Beth Vanhorn

“ Riding around with Donna to go Shopping or Erranding or Out to Eat was always an Adventure that included Sadie and a "Cast of Colorful Characters" not to be found just Anywhere. Donna opened her House and her Heart to People in various stages of Struggle. She provided warmth and shelter, rarely turning anyone away. Donna was a Force people gravitated too and she Helped. A Lot. Showing people where and how to get services provided to get their needs met, helping them to get and handle their money and link cards, she didn't help others for Money, she helped out of Kindness, and she will be Dearly Missed. Love You, Donna, see you Tuesday...
