*I remember Ed's laugh. He seemed like a happy guy who laughed a lot. I also remember him playing basketball with us one time at Tanner's when they came out to visit Grandma Butcher and us. He is going to be missed greatly. I send heartfelt condolences, love and hugs to Aunt Louise and the family. I pray God provides comfort to you all.*

*My dad, Don Peterson was Ed's older brother. He used to love teasing him about changing his diaper when he was a baby and it would always turn out to be a hilarious exchange of jokes. As a youngster, I affectionately gave him the name "Mister Ed" after we had watched the tv show together. He would always laugh when I called him Mister Ed. There will never be another Mister Ed here on earth but I look forward to the day when we are reunited in heaven. May our Lord bless him and his family with peace. With my love, Jeanette*
