“ I don't know the words to say how much I loved your mom and how much she meant to me. Aunt Elah Mae was one of the most beautiful, loving, giving, caring ladies that I have been blessed to have in my family. Anyone who was blessed to know her knew that they were welcome in her home and loved by her. I am so thankful that I got to attend her 90th birthday party and to see how blessed she was with her beautiful family there sharing her special day. And then she got to come down and visit me and my husband, Danny who was on hospice. We had such a great time. I was raised with my cousins until I was about 11 yrs old and we moved to So. IL. Our families were so close and I was blessed to have my cousins close to me. When I get to see them now, it's as if we haven't missed much time being together. I could go on about so many memories, but there is no room here. I send my deepest sympathy to the entire family. Your mom, grandma, great grandma & great great grandma lived a full life of blessings, sharing her love of life with all of us. There is a void in our hearts now, but don't forget all the many precious memories of how much she loved you all. Her legacy has been handed down to her family to keep the love going to everyone. She taught you all well. My love goes to you all and prayers that God gives you peace in knowing that your mom was loved by so many. My mother remembers Aunt Elah Mae. I am thankful that she does. I know that mother loved your mom too. Again, my love to you all. God bless you. Your cousin, Martha
