“ I started working at the library a couple months and Eldon became one of my favorites very quickly, his humor and sweet, smirk smile he gave walking in the door was so heartfelt and I waited to see him every morning that I worked, with his coffee ready to go and the conversations that never failed to make me laugh. The advice and open ears never went unnoticed. He is going to be missed so much and my heart goes out to his family and all of his friends and the people who even had the opportunity to get to know him. May he rest in peace 🙏❤️ love you Eldon.
