“ *Thank you Ginger for being a very good friend and a part of our little family. Over the years you've cared for my Mother, helped us numerous times around the house and most of all being a personal massage therapist to Dancer.*

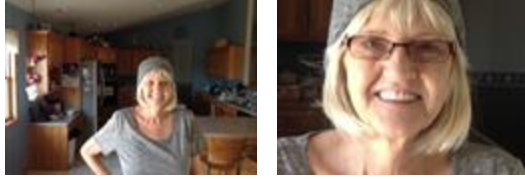

To Andrew and Allie, Ginger was so proud of both of you. She felt comfort knowing when she passed Andrew would be loved and have a family to share the highs and lows life brings.

Rest In Peace my dear friend. Al and I will cherish the good times we had.

Thank you Michelle for being a dear friend to my sister. She spoke of you often and cared about you a lot. It means so much to our family, knowing you were there for her. She had the most beautiful spirit of anyone I've ever known and not a day goes by, that I don't think of her. May your memories of her have a special place in your heart.
