“ I remember when my husband and I first met Skip and Joyce, he was sitting in his truck with his head down, my husband went over to see about him, he knocked on the door told lady about the man, she said something like aah once he sleeps it off he'll be alright, then he'll come inside. We watched him and he did, later he came over and thanked us and we all became best friends every since. You were there for me now I'm here for you. I ❤️ you and miss you my son cause that's what you are to me. 🙏💖💖 Tina
