“ Wayne was one of my very best friends! But more importantly, he was my brother in Christ. I am almost envious that he has claimed his reward from God. Wayne and I fished together more than any other person that I've fished with. We enjoyed talking and even debating Scriptures and we had to resolve those debates because we were in a boat and one could not just walk away. I loved Wayne dearly and his family. My wife and I feel God blessed us when we moved to Martinton, IL to serve the Lord there. We were immediately taken in by the German family. Oh the stories I could tell! My prayer is that Verna and the girls' grieving process will be filled with wonderful memories as their husband and father was a wonderful man and dedicated to the Lord!
