“ *Words cannot express how much you will be missed. You used to always call me laughing and talking at the same time and asking where my mom was at. You were excited to just talk to your family. I remember one time we were able to get you to dance. I love you ❤️ and I will miss your calls!!*

Now who is going to call me no matter the time day or night? I was so honored to have you walk me down the aisle and I will never forget the father and daughter dance truly priceless memories that I will cherish. I never seen you smile and look so happy on that day. You will forever be in my heart and thoughts!

“ *To my beautiful nieces, (Bridgett, La'Tisha and Shamira): I thank God for each of you and the kind, loving women you've become. There is an African proverb that says there are 2 deaths, the physical and the last time someone speaks your name. Keep fond memories of your Dad in your hearts and speak his name often. He will live in your hearts and in your memories forever. May God comfort you and give you peace. With love and heartfelt condolences to you and your families. Auntie Pearl*
