“ *I remember when Jeanne and Jim first got together. Can't believe how time races by. Jim was always willing to help out a friend. We leaned on him on a few occasions to fix a few cars or listen to some wise advice. I remember hanging out with him and having some fun conversations. He will be greatly missed by his friends and family.*

“ I knew Jim through his wife Jeanie whom I have been close friends with for many years.
I have always had a soft spot in my heart for him. I have spent many over nights at their home talking laughing listening to his stories and husband complaints and than to Jeanie's wife complaints and knowing in by heart why they made the 30 yrs work.I am so glad he did not suffer very long. Rest in peace my friend!

“*Uncle Jim was always a cheerful, humorous, straight to the point guy who I always loved to see as a boy and no less as I grew older. Remember all of the holidays spent Jim and my cousin Danny. I learned so much about gardening, motors, fishing, working and playing from my dear uncle. It was good to spend even a little time with him before he passed last week. Thought and prayers to the rest of the family. Having Masses offered for the repose of his soul. Eternal rest grant unto him O Lord and let perpetual light shine upon him. Hoping for a glorious reunion one day with that beautiful family in our eternal home, heaven.*

“Jimmer” as dad affectionately called him was mischievous, funny adventurous and always ready to help a friend. Like me he didn't like school and loved to be outdoors. He was a good gardener and mechanic. We got into more than our share of mischief for sure but both possess a tender heart and love of animals. We scrapped like dogs and cats but he was my big brother and I will always love him

Condolences to his wife and sisters Val and Cathy. We were good friends from 2 and or 3rd grade at St. Martin of Tours. We spent so much time fishing the Kankakee area, camping down at Gar Creek. We lost track of each after high school. He was a great friend growing up.

Sorry for your loss. I worked with Jim out at Azzarelli Construction - a good man and a good mechanic. He went fishing with my Dad, my son, and I one time on a charter out of St. Joe, Michigan. The fishing wasn't the greatest, but it was a gorgeous day on the lake.
