“ It is nearly impossible to come up with the right words to say, so I am just going to speak from my heart. I know we didn't know each other really well, but I am thankful for the memories that I have of you. I am a part of you, and you will always be in my heart. Can't wait to hug you when I get to heaven.

Amie, I'm not sure if you will read this, but I want you to know YOU are one of the greatest gifts Uncle Jimmy gave this world! My favorite memories growing up are with you. He gave me a big cousin that I admire, love, and a best friend growing up. When we were little I couldn't wait until the days I was able to spend with you! I know that life happened and we haven't seen each other in a long time but you are thought about often and I am sorry for the loss.

“ Uncle Jimmy, I am grateful that you were and always will be my godfather. I have pictures of you playing your guitar and you holding me when I was young. Even though over the years we have been in and out of touch I will always remember you. Rest in paradise. Love you always!

“ Uncle Jimmy, always was a true cowboy, from his cowboy hat, bull rides, and guitar playing! He touched all that knew him and would always let you know he loved you! I hope he knows how much he was loved and meant to each person he touched here on earth! So everytime I hear a George Strait or Toby Keith song I will think of the cowboy that was taken to soon and know I blessed to have had him in my life!
