“ *A poem for my friend.
I feel a warmth around me
like your presence is so near,
And I close my eyes to visualize
your face when you were here,
I endure the times we spent together
and they are locked inside my heart,
For as long as I have those memories
we will never be apart,
Even though we cannot speak anymore
my voice is always there,
Because every night before I sleep
I have you in my prayer.
L♥ve you always going to miss you
