“ Jenny, I dont know where to start, Im beyond saddened and upset that you left us so soon. You had a heart of gold and was the friend that would always keep it real. You got me! We experienced so much and went through so many good and bad times together. I know you had more tough times than most but you never lost that golden heart and beautiful personality. I never understood as a kid how you could be so strong with everything. You inspired me deeply. There was never a dull moment when all us girls were together and i will forever cherish those moments. RIP Jen... Love you always,
Traci

“ Uncle Gary & I have many good memories of you growing up. Everyone that met you loved you. Taking you to church is the best memory of all. As a child you knew all about Jesus and the bible. We are sure He was always in your heart no matter where you were in your life. No more pain..no more sorrow for you. You are walking the streets of heaven and someday we will be with you again.

Jenny, we will love you always and you will be missed,
Uncle Gary & Aunt Gloria
