“ Joel lived across the neighborhood from me , we were in El Rancho. Sometimes my friends and I would walk to his house and hang out...he was a sweetheart and always fun to be around. Prayers for his family ... he will surely be missed .

“ I had the good fortune to talk to Joel a few months back. He was delivering FedEx in my neighborhood and stopped by to say hi. It was a great thing to see him again and he seemed to be doing well. It broke my heart when I saw he had passed. My thoughts are with Lin and Robin and Jason. Remember the good times.
