“ *JJ led the charge on painting my 90yr old Victorian house in less than a week! He smiled the whole time, all while dealing with a bunch of crazy Wojo men helping him. He deserved a medal for that week! Thanks again John! We truly appreciated your efforts!*

“ *John, I will never forget the fact that you took me under your wing as soon as I arrived to St. Anne. I remember how you made me climb all the way up to the roof of a house to scrape it knowing that I was scared of heights. You just stood in the backyard looking at me and laughing. You taught me a lot John, you were a great man and you will be missed but not forgotten. I love you John...*
