“ To my beloved Johnnie for us forever came to soon on Dec, 4th the light of my life went out. The kindest, caring, and most gentle man I ever met was taken from his wife. I feel my life is taken also to live without you, my darling is not living. I miss your smile your touch you loving me and allowing me to love you and share your life. You have made my life for 27 months and I was sure it would be for 27 years. Once I asked you "Johnnie how long will we love each other and you said until the sun runs out then we "ll use candles" the most beautiful thing anyone has ever said, now my beautiful, loving husband I light a candle every day my love for you is ever lasting and will always be. I love you more than you know and miss you more than I can say. Yours forever and always your wife Your Dolly

“ Sooo many good memories of running around Grandma & Grandpa's house, playing at family parties, picnics and dancing at family weddings when we were kids!! I always loved having soooo many cousins and I'm glad you were one of them!!! I am sending extra prayers for your siblings as I know this Christmas is difficult without you but I am rejoicing for you as I know your Heavenly home is more amazing than we could EVER imagine!!!!

“ I am so saddened by the loss of my cousin Johnny. I was always so envious of my cousins Nancy, Joni, & Donna because they had two baby brothers, Johnny and Michael. I absolutely loved those baby brothers. I was in Girl Scouts at the time and each week at the end of our meeting we would sing a closing song and then make a wish. My wish was always the same. I wished my baby cousins, Johnny and Michael would be at my house when I got home. You will be missed little cousin of mine.
