Poem

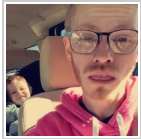

Though her smile is gone forever  
and her hand I cannot touch  
I still have so many memories  
of the one I loved so much  
The memory is now my keepsake  
which with I will never part  
God has her in his keeping  
I have her in my heart.  
Sadly, missed but never forgotten

“ *Cousin I still can't even wrap my head around this. I was just getting old enough to where we could actually talk about shit..I cant believe im not going to be waiting for you to show up to eat anymore..or see your face at Thanksgiving or Christmas. You were one of a kind cousin, I don't think any of us would want it any other way.*
