“ *I'm so sorry sorry to hear about Jo. Spent so much time with her and the family during my younger days. She was always a fun caring lady. Remember when I had a boil and she helped me get through it. Always seemed to know what to do. She was always happy and loving when I knew her. Know she will be greatly missed by her family and friends. My deepest sympathy. Sue Beutien Hoskins*

“ Judy, Patty and Bonnie, and families,
We send our prayers and sincere condolences for your loss. Many great memories of Jo through the many years that our families have been friends.
I was so looking forward to going with her and Shelly as soon as the video gaming reopened! I know what a kick Jo got out of that!
Jo was a wonderful woman and left a legacy to be proud of. I will miss her boisterous laugh and “tell it like it is” conversation’s.
Know that many share your sorrow and also memories. Our hearts are sad also. Love and hugs to all.
