“ It breaks my heart to see this. Nita was a one in a million kind of woman!! Being a part of her care team recently was truly a blessing. Always so quick with a witty response no matter what was going on. Her smile could light up the darkest room and her humor and kindness made the hardest days so much better at work. With Nita, work wasn't just work, it was a way to share the day joking and laughing and enjoying some of the greatest company I've ever had the pleasure of working with. She will be so missed but her legacy will live on forever. My sincerest condolences to her family and friends. They meant the world to her ❤️❤️❤️

“ This breaks my heart. Nita was a very kind soul. I remember my first birthday after we became friends she bought me the album Yes Fragile. I still have it. Years later we came upon each other at volleyball tournaments. My love and prayers lifted for her whole family suffering this enormous loss. Mary Lynn Schlenz Regas Bridgewater.
