“ I worked with Judy at St. Mary's Hospital for 21 years. During all of those years I had never seen Judy be unkind to anyone. She was always pleasant. Every year she and I would do the turkeyology in the daily journal. And every year I would always have to ask her about a word I just couldn't unscramble. Almost always she knew it. In all the years I did that I never won a turkey. She will be missed. What a wonderful lady. RIP Judy. God bless your family. 🙏🌹❤️
