“ I'll never forget when she made Mary and me go to work with her at Bourbonnais Terrace. There was a snow storm and they didn't have enough workers. Mary and I had to be nurses aides. Guess who started my career in the medical field. I will always be grateful.

“ When I was growing up, I used to stay at my grandmas house. Simoni and my parents live down the road from her and Mary was there all the time she was a wonderful lady, and she knew how to put up with her kids crap she didn't. she reminded me so much of my grandmother Tour, I would call her grandma I'll be one person that will be best in this world
