“ *I shake my head over and over thinking how very sad this journey Kacie's mom, dad, sisters and Maggie have been on these past couple of weeks. I had seen Kacie leaving the store a few weeks ago, gave her my normal hug, asked her how everyone was and said "take care" bye. I didn't think that was the last time running into her. We have known all of the girls, starting with Kacie,(#1 monkey) , they know what I mean, since she was four. Kacie was one of the 'group' with Melanie and friends. Daily, all summer, every day. During school, C.C.D. classes, birthday parties, Halloween parties, it didn't matter! I can only say, on behalf of my family, how very sorry we are for your loss . I can't begin to try to feel the pain in your hearts. We will pray it only hurts less with each day. You, as a whole family, are in our thoughts and prayers. With our love, The Angelatos Family*
