“ *Kathleen and I were next door neighbors back in junior high. If I wasn't at her house she was at mine,esp.when her mom,Lou was working. For many years we always remembered each other's birthdays with cards ( mine was the 11th & her's the 16th. She came to visit one year after I moved to Florida in 76. Many fond memories of our adolescent years! RIP Kathy.*

“ *A really nice lady who I worked with at DCFS. She once took me for a quick ride in her little two seat spots car and she drove it very fast. She always had a great positive attitude!*
