“ *I met Kirsten in 2016. I have fond memories of her. As a spunky young lady. Raising a young boy on her own. She always seemed upbeat. With attitude of course. She loved her family and her precious boy William. I can only offer comfort and peace to her son and family. She will be missed.*

“ Kristen you will be greatly missed, i remember the crazy nights we had when we would work together in banquets at the quality inn, my fondest memory was awaiting the arrival of william and how you glowed with love for your future son. Rest easy sweet angel until we meet again.

“ Kristen was an amazing person! She was just a little girl when I first met her, a mere 11 years old. Her laugh was infectious then and her smile could light up a room or just cheer you up if you were down. This little girl grew up to be an Amazing and Compassionate Mom. She loved her son very much. Gone to soon before she could find herself. Kristen you are going to be missed oh, so , so, much; You don't even know. I know I will see you again when I enter those PearlyGates, but in the mean time until then when I see Butterflies and Elephants I will think of you. I will be looking for you.....  
Love Always
