“ Alice n David i feel terrible about not being able grieve with you 2 , kyle was always a great friend and brother to me .This stung me badly so bad I has been hard to reach out to you all. There are so many great memories I had w kyle its hard to say. From playing Nintendo at your house to throwing darts in the garage . Even we had some good times when he took me in and got me back only feet down in Rosa Claire, after I had to leave from kentucky .he will always be a huge partofmy life and I want you to know everything positive he had done for me . I am truly sorry for our loss. It's really hard not to break down and cry like baby as I write this . We are all missing apiece of ourselves truly and remorseful I love you guys and the heartbreak is real. I know he would cuss me for being so upset over this. What else could I say except MONGO <3
