“ *The time I knew Leanne was not long, it was when she shared Kickin Cancer's Ass FB page, where I became a part of her journey. My sister had been battling pancreatic cancer also and passed in July. Leanne had the determination to fight her pancreatic cancer until the end, "On her terms!" She always showed appreciation when I would pop in with something to eat, even though it was in small amounts to try. The family and friends of Leanne are in my thoughts and prayers during this time of loss. Leanne is one of our newest Angels to get her wings! Fly high Leanne, until we meet again! Love, Hugs, and Prayers for all.*
