he had an eye opening reaction 19 years ago. He tried to make amends for his actions and his family is very proud of him for that. He may not have been the ideal Brother/father but he definitely tried to make a change for the better. He will be deeply missed by many. May God bless him and keep him in his Glory.

Cremation rites were accorded. Jensen Funeral Home is handling the arrangements. Please sign Leonard's guestbook

“ Years ago I was a very close friend of the Flahive family, Margaret and Martha were my age, and spent alot of time with all of them. most of the sibilings were younger, and unfortunately only remember them from time the lived in Grant Park....time pulls us in different directions and we lose touch which is sad. Something like this reminds us how fast time goes by, and memories return. My thoughts and prayers go out to all of you in Leonards immediate family who will not know me.....but just maybe one of the sibilings will remember the girl I was who spent many a night with the family...prayers and comforting thoughts to them also.....Loretta "Royse" Stalnecker
