“ I remember as a little girl, you were always so special to me and I loved going to see my cousins Kathleen and Linda. I will keep your family in my thoughts and prayers. Make sure that Aunt Kathryn and Uncle Dad have that candy dish filled when I see you again.

“ I remember so very many wonderful things about her!!! One of my most favorite memories is her and Bev sneaking into my room when I had JUST delivered my first child, Colby! They both came to make sure that I was okay too!!! I will never forget the sincere hugs I received from both of these wonderful ladies!!! 💕💕💕💕
