“ *We were best friends at 13 years old, we lived one block away on the same street, and our birthdays were exactly two months apart. We shared many special memories over the years and you were always there for me when I needed you. You are loved by so many and you'll never be forgotten, that's for damn sure. We grew apart over the last few years but I never stopped thinking about you and I missed you. I'll always miss you, I love you. I Just seen you working at Walmart last Thursday and I'm hating myself for not talking to you. I'd give anything to go back and do it over. To be able to hug you and catch up one last time. It doesn't make sense that you're gone, you should still be here. Rest In Peace Lisa. 💔😭*
